

# POWER TO STANDS FORM 10

13<sup>TH</sup> | 14<sup>TH</sup>  
MAY  
2020

Dear Exhibitor

This year we have the facility to offer you power to your stand which, if ordered by the deadline, could replace the requirement for the small generators which can be noisy and odorous.

The power supply will be limited to 3kW, sufficient to run laptops and charge your phones.

The cost is £225 plus VAT and must be ordered in advance with payment made by credit card.

**The power supply MUST be ordered no later than 24th April 2020.**

## PLEASE COMPLETE THE FORM BELOW:

Contact Name:  Contact Tel No:

Name of Company:
