IT IS MORE THAN MACHINES

IT IS EVERYTHING IN BETWEEN

Vertikal Days is a specialist event with its core centred firmly around access platforms, cranes, telehandlers and associated lifting equipment for lifting professionals. If you are part of a rental company, fleet owner, user or lifting professional, Vertikal Days will give you an unobstructed view of the industry's latest products.

All visitors have an interest in lifting and access equipment, so no time wasters or 'tyre kickers'. The show is attended by buyers/company owners that represents around **90%** of UK and Irish rental companies responsible for more than 80% of all crane and aerial lift purchases in the region.

It is also growing in the number of international exhibitors and visitors at senior management level.

*"What a day! What a show!
Had an amazing time at Vertikal Days.
Met some fantastic people yesterday and
had some intriguing conversations.
The show was definitely an eye opener
into the lifting world."*
