THE VERTIKAL PRESS

ABOUT US

Vertikal Press is the leading independent news provider for the lifting equipment industry with a far reaching circulation and international readership. The group includes Cranes & Access and Kran & Bühne magazines, the online news service and information library Vertikal.net, specialist industry guides and Vertikal Days, the lifting equipment event held annually in the UK.

The editorial content focuses on cranes, aerial work platforms, telehandlers and associated products and services, written by a team with first-hand knowledge of the lifting equipment industry.
